WORK EXPERIENCE

5+ years of experience

redBus | MakeMyTrip group

July 2024 - Present

Senior UX Designer — *Bangalore*

- **Led end-to-end UX design for operator and customer-facing features**, from wireframes to high-fidelity prototypes.
- **Collaborated with product and engineering teams** to launch features like route optimization, boarding point management, and seat layout improvements.
- **Scaled and maintained the design system**, improving component consistency, responsiveness, and implementation quality across platforms.
- Researched operator workflows and designed solutions that improved adoption, usability, and overall service performance.

Unisys India (Quess Corp)

June 2022 - June 2024

Senior UI UX Designer — *Bangalore*

- **Applied Visual Design skills** to conceptualise and launch new feature sets.
- Utilized Prototyping capabilities to **componentize Figma design templates**, significantly boosting designer efficiency by 60%.

Workik

May 2021 - June 2022

Product Designer — *Bangalore*

- **Structured and executed design projects independently**, showcasing strong prioritization to meet deadlines consistently.
- Demonstrated proficiency in self-management, **ensuring timely delivery** of high-quality work within expected time frames.
- **Worked closely with cross-functional teams, including engineers, project managers**, and quality assurance professionals, to deliver high-quality design solutions.

EDUCATION

Master of Business Administration (MBA)

2020 - 2022

Army Institute of Management, Kolkata — GPA: 9.3

With a primary focus on Marketing and Analytics, I gained a deep understanding of business needs, and how design connects with it.
